

# 17<sup>TH</sup> STREET (Harrisburg)

548 S. 17<sup>th</sup> Street | Harrisburg, PA | 17104 | (717) 230-1361

## OPIOID CENTER

of

## EXCELLENCE

providing support, education and assistance to individuals and families who are struggling with an opioid use disorder

Our community-based care management team (care navigators, recovery specialists and nurse practitioner) will create a care plan for transitioning into sober living, developing a support system and achieving long-term recovery.

**Through helping those with a heroin/opioid addiction, the COE will:**

### 1 ASSESS

COE works with the individual to assess the life areas in which they need support and services, and develops a care plan to address them

### 2 CONNECT

COE helps connect the individual with appropriate medical specialists, support programs or other means of substance use disorder treatment

### 3 SUPPORT

COE coordinates a series of step-down services and supports the individual's transition into sober living within the community

**Other services provided by PCS 17<sup>th</sup> Street include:**

- Mental health counseling
- Drug & alcohol outpatient and intensive outpatient treatment
- Co-occurring treatment – for adults
- Psychiatric services
- Adolescent substance abuse treatment (contingency management)
- Triple P Parenting Program

**Services also offered in Spanish**
