A community-based, person, family and recovery oriented program that helps individuals find hope, meaning and purpose in life and maintain a successful recovery.

CONNECT

Our care navigators and recovery specialists will help you connect with medical and treatment services and develop a plan to resolve needs like housing, childcare, education and employment.

SUPPORT

We can provide you and family members, agencies and community groups with education, information and support regarding addiction and recovery for a heroin/opioid addiction.

RECOVER

We'll help you re-establish and improve significant relationships, and we can meet you within the community or other location (including rehabs) to assist in transitioning to the next level of care.
