

RENAISSANCE CROSSROADS

Renaissance Crossroads
is an inpatient treatment
program that helps
males achieve
successful recovery
from substance addiction.

HOW DOES IT WORK?

During the Renaissance Crossroads program
participants will learn how to:

- ✓ abstain from substances
- ✓ establish and prioritize life values
- ✓ reintegrate into the community
- ✓ maintain a successful recovery
- ✓ and more

"Crossroads taught me how
to be responsible. It taught
me to put my priorities
before anything else and be
a productive member of
society. It taught me to deal
with my feelings. This place
changed my life."

—CROSSROADS GRADUATE

SHORT-TERM TRACK

Duration: 90-120 days

Qualification: This track can be elected independently or included as part of a court sentence.

Process:

1. Inpatient care
2. Outpatient care
3. Maintain successful recovery

LONG-TERM TRACK

Duration: 34 months

Qualification: This track is designed as a diversion program from state incarceration.

Process:

1. Intensive inpatient treatment
2. Outpatient care
3. Maintain successful recovery

Our goal is to provide individuals with the treatment they need to **focus on what really matters** and **maintain long-term abstinence** from mood-altering chemicals.
