

CHECK & CONNECT

(TRUANCY PREVENTION)

Pennsylvania Counseling Services

Truancy is the beginning of a self-destructive, rule-breaking mindset that can lead to greater problems like aggression, delinquency, and addiction.

We can help stop this pattern.

WHAT IS CHECK & CONNECT?

Check & Connect partners a student and their family with a mentor for a minimum of two years. Together, the mentor and family focus on helping the student:

- ✓ improve their school attendance record
- ✓ be more attentive in class
- ✓ learn valuable problem-solving skills
- ✓ keep their parents or guardians updated on their academic progress
- ✓ talk through personal concerns
- ✓ learn to work through conflict constructively
